Before starting this training you should have read the training labeled, 'Investigator General Facilities Training'.

1. Cages and Bedding
   1.1. A small number of cages will be stored in the Preparation Room S-285E
   1.2. If you need additional cages call Warren at 801-857-1217 or Earl at 801-361-7477
   1.3. Bedding will be stored in a barrel in the ESC Room S-285B.
   1.4. Cages will be filled with bedding in the ESC Room S-285B.
   1.5. Dirty cages will be left in the Preparation Room so Animal Care Workers can pick them up.

2. Bottles
   2.1. A small number of clean bottles will be stored in the Preparation Room S-285E
   2.2. Bottles will be filled in the Preparation Room as needed for use.
   2.3. Dirty bottles will be dumped in the Preparation Room sink and left for Animal Care Workers to pick up.

3. Feed
   3.1. A barrel with feed will be stored in the ESC room S-285B
   3.2. Special feed will be stored in the refrigerator in this same room.
   3.3. All feed must be labeled with a feed card that is filled out with current information.
   3.4. A card must be displayed on each cage to identify special feed is being given to the animals in that cage.
