Investigator Training in the SWKT
Dated: April 2014

Before starting this training you should have read the training labeled, 'Investigator General Facilities Training' and training that will cover each animal housed in the facility.

1. Cages and Bedding
   1.1. Clean cages will come from the Clean Cage Storage Room (1240C) in the SWKT.
       1.1.1. Cages will be filled with bedding in the room 1240C.
   1.2. Dirty Cages should be taken to the Dirty Cage Room

2. Bottles
   2.1. Clean bottles will be stored in the room 1240F
   2.2. Bottles will be filled at the sinks in 1240 or 1250 as needed for use.

3. Feed
   3.1. A barrel with feed will be stored in each animal room.
   3.2. Special feed will be stored in containers in each room where special feed is used.
   3.3. All feed must be labeled with a feed card that is filled out with current information.
