

Kuali Research Proposal Types

TYPE	DEFINITION
Budget/SOW Update	A proposal routed to seek approval for an update to the Budget and/or Scope of Work.
Continuation	A non-competing application for an additional funding/budget period within a previously approved project period.
New	A proposal being submitted to a sponsor for the first time
New – Changed/Corrected	Used by ORCA when a correction is needed on a proposal being submitted to a sponsor for the first time/required in S2S submissions.
Pre Proposal	A pre-proposal is required by the sponsor to determine who to invite to submit a full proposal. Only complete and route a pre-proposal in Kuali if a detailed budget is required by the sponsor.
Renewal	A competing application requesting additional funding for a period subsequent to that provided by a current award.
Renewal – Changed/Corrected	Used by ORCA when a correction is needed in S2S submissions
Resubmission	A proposal being submitted to a sponsor after initial rejection. Proposal is to be copied and linked to original.
Resubmission – Changed/Corrected	Used by ORCA when a correction is needed in S2S submissions.
Revision/Supplement	Used to request additional funds during a current project period to support new or additional activities that are not identified in the current award.
Revision/Supplement – Changed/Corrected	Used by ORCA when a correction is needed to a revision or supplement proposal in S2S submissions.
