Foundation Directory Online (FDO) makes your foundation fundraising easier — and more effective.

FDO makes it easy to turn foundations into funders. It's the only resource you need to search for the foundations most likely to give you grants and manage your prospects through to funding.

FDO simplifies and speeds up your process with:

- A thorough database, comprising more than 140,000 grantmakers, that is updated weekly so you can count on the accuracy of results
- Multiple filters and an assessment tool help you quickly identify your best potential funding sources

FDO helps nonprofits secure grants — and is funded by grants, too!

FDO is a service of the Foundation Center, a nonprofit dedicated to empowering and increasing knowledge about philanthropy. Like you, we seek funding from foundations. So we understand your challenges and goals — because they're ours, too!
Experience FDO Workspace!

Our newest tool helps streamline your foundation fundraising process, allowing you to spend more time making a difference and less time managing your fundraising data.

- **Assess** if a foundation is the right fit for your project
- **Manage** grant requests, deadlines, and tasks
- **Build** relationships with current and prospective funders

Most often you’ll choose “Proposal Functions”
Most often you’ll then click on “Proposal Preparation”
This page holds the P.I. demographic information. This can be updated or changed at any time (see the “Edit PI Information” button). To continue press the “Prepare Proposal” button.
Note the “Allow SRO Access” button. Also note the “Proposal PIN” button.

The 1st time in FastLane the box labeled “Temporary Proposals in Progress…” won’t be there as you have no temporary proposals. One you’ve gone in and started a proposal this page will appear as above.
A new temp. proposal number has been created.

Cover Sheet

This is your base screen. The entire proposal is linked and can be accessed from here. We’ll begin with the Cover Sheet.
Financial Conflict of Interest (FCOI): This policy will take effect August 24, 2012. A Disclosure will be required with each proposal and/or during your annual stewardship interview.

E-Verify: All newly hired students and staff must have their right to work electronically verified. BYU student and staff hiring office will provide this verification.
DEA Controlled Substances: The Office of Risk Management is responsible for Controlled Substances. You may also contact the University Veterinarian, Sandra Garrett.

Select Agents: Work with these agents is regulated by the CDC (externally) and a host of BYU individuals. Contact:

Rich Robison, Micro & Molecular Biology
Edwin Jackson, Risk Management
Gary Reynolds, ORCA
Export Controls: Sensitive technologies, hardware, or know-how is not to be transported or given to foreign born individuals. See Gary Reynolds for details.

Responsible Conduct of Research (RCR): Every NSF award carries a requirement that all employees on the grant must complete the RCR Tutorial (http://www.responsibleeresearch.org)
▪ IRB – Human Subjects Research
▪ IACUC – Research with animals
▪ IBC – Research with recombinant DNA or Select Agents
